Part#	Product name	Application		
AF series	Pin insert	AC-DC POWER SUPPLY		
		Defence		
		DUT board		
		Education electronics		
		In-flight entertainment and connectivity system		
		LED backlight control board		
		LED indicator, LED lighting		
		Medical device		
		Power module		
		Pump control		
		PWS Mainboard		
		Radio		
		sensor modul of fuel tank cap for auotmobile		
		Weaving machine		
		Wireless Connection between Car & Trailer		
		AG series	Vertical fitting mount for PCB	QR code Scanner
		AGH series	Vertical fitting mount for PCB	QR code Scanner
AP series	Spacer for PCB	Medical analyzer		
		Medical device		
		Welding machine		
AT series	Terminal for adjustment part	Power supply testing equipment		
ATSS series	Two sides adjusting terminal	Testing & Equipment		
AV series	PCB vertical fitting clasp	QR code Scanner		
		Radio		
AW series	Terminal for aluminum board	Internal testing fixture repair use		
AX series	Bracket for fitting PC board	Control equipped with compact camera for Automation chair		
		QR code Scanner		
		Semiconductor manufacturing equipment		
BA series	(Vertical affixing) block	Automatic Train Control		
		LED lighting		
		Power control system		
		Semiconductor manufacturing equipment		
BB series	Fitting block for PCB	Control equipped with compact camera for Automation chair		
		Medical device		
		Power supply		
BC series	Terminal stand for connector	Power unit for train		
BF series	Jack for soft plug	Hi-Fi Audio Final Stage Power Amplifier		
		Industrial motor control Inverter		
BG series	Metal fitting for PCB	Electric Vehicle		
BH series	Banana plug jack	Measurement device		
BJ series	Soft plug	Railway signal		
BK series	Terminal for Hybrid IC	Automobile sensor		
BS series	Bush for insulation	Laser beam welding machine		
		LED Lighting		
		WELDING EQUIPMENT		
BSF series	Bush	Counting machine		
		Inverter (for air conditioner)		
		LED Lighting		
CA series	Terminal for Hybrid IC	LED lighting, lighting		
CB series	Terminal for Hybrid IC	AC backup source		
		AC/DC module		
		DC/DC converter		
		LCD display		
		Mobile printer		
		New energy circulation testing system		
		RF Module		
		Test power module		
CD series	Terminal for hybrid IC	Power		
		Signal Lighting Tower		
CE series	Contact point	Medical treatment equipment		
CG series	Pin for horizontal installation of coaxial cable for SMD	Car Audio		
CH series	Terminal for Hybrid IC	DC/DC converter		
CK series	Terminal for Hybrid IC	Sensor module(for car)		
CN series	Wire crimping terminal for SMD	LED		
CT series	Test point for checking	Chiller unit		
		Industrial Monitoring		
		Solar Inverter		
		Thin Clinet terminal		
CS series	Pin for reinforcing electric wire	Electric fishing reel		
		Fishing reel		
CW series	Heat-release sheet	Automatic feeding vibration plate		
		Automatic Train Control		
		Heat Pump		
		Inverter (for air conditioner)		
		Laser machine		
		LED Lighting		
		Power Tool		
Test & Measurement				
DA-8	Wire crimping terminal for SMD	LED products		
DB-6 series	Wire crimping terminal for SMD	LED products		

Part#	Product name	Application
DC series	Two-tiered terminal	Energy storage system
		Inverter
		LED indicator
		Music Instrument
		PCB layout
		Temperature Controller
DG series	Two-tiered terminal	Electronic PCB (power)
		Elevator
		Inverter
		Motor controller
DH series	Pin for SMD	Electric vehicle dc-dc conversion
		LED backlight control board
		Medical device
		Network
		Sensor board
		test machine
DHS series	Pin for SMD	Electricity metering
		Environment sensor
		Fiber optic
		Gas Sensor
DM series	Fixing terminal for wire cable band	LED products
		Railway signal
		Sensor / Detector Module
DP series	For two-tiered installation of PCB	Electronic PCB (power)
		Energy System
EB series	Spacer (for LED)	EDM(Electric Discharge Machine)
EM series	Spacer of hollow shape for PCB	Printer
		Testing equipment
EP series	Spacer for PCB	Entertainment machine
		Inverter
		Juki Knitting Machine
		Motor controller
		Power supply
		Semiconductor manufacturing equipment
		System Control Board
		UPS
ER series	Spacer for PCB	ATM
		Audio system
		Control board
		DC/DC converter
		Jig & Tool
		Monitoring system
		PCB for Milling machine
		Semiconductor manufacturing equipment
		Testing equipment
		Blood testing apparatus
		Blood testing apparatus
FF series	Parts relay terminal	Blood testing apparatus
FT series	Fluorine terminal	Blood testing apparatus
FX series	Super-small fluorine terminal	Clamp meter device
GA series	Shield case for Hybrid IC	Polishing machine
HD series	Connection terminal for surface mounting	Electric car
		Scope
HDA series	Parallel connecting pin for SMD	LED products
		Security board
		Semiconductor testing Equipment
		Touch screen board
HDB series	Parallel connecting pin for SMD	IPC
		LED products
		Security board
		Semiconductor testing Equipment
HH series	SMD connector	PLCC for automotive
		PLCC for automotive
HH-1 series	SMD connector	Bluetooth reflector
		Medical device
HH-3 series	SMD power supply connector	CCD Moduel
		Robots DC Driver
HHO series	Parallel type male pin for SMD	CCD Moduel
HHP series	Jumper socket for surface mounting	Logger
HHY-1 series	SMD connection socket (horizontal)	GyroSensor Car
		Lamp for car
		Storage System
HIC series	Terminal (for hybrid IC)	CATV Filter PIN
		PCB
		Testing & Equipment

		Hi-Fi Audio Final Stage Power Amplifier
		Water Pipe Monitoring System
WC series	Wrapping terminal for THT	Medical device
		Motor control board
		Industrial equipment
WN series	Flat washer for insulation (nylon)	PCB for Milling machines
WCAW series	Wrapping terminal for angle connected type	Controller
WG series	Washer	UPS
WL series	Wrapping terminal for THT	Analytical Instruments
		Automatic door
		Burn-in board
		Electronic game machine
		Electronic power terminal
		Energy System
		IC Test Load Board
		Massage machine
		Medical device
		POS system
		Power system
		Protection board for Power relay
		Refrigerator
		Robot
WLA series	Wrapping terminal for angle connected type	Energy System
		Personal Care Device
		Protection relay system
WLT series	Wrapping terminal for THT	Alarm
		Energy System
		Inverter
		Power control board
		Protection relay system
WLW series	Wrapping terminal for THT	AI evaluation board
		Automotive (Turbocharger)
		Digital transmitter
		Electronic power terminal
		Energy System
		Power control board
		Power system
		Protection board for Power relay
		PROTECTION RELAY
		Semicon Test Equipment
WT series	Terminal for wiring	Amplifier System
		Control box
		PCBA
		PCBA for Automatic door for train platform
		Semiconductor equipment
		SMT machine
		Switching power supply
WV series	Wrapping terminal	Cable harness
WVA series	Vertical fitting mount	Semiconductor equipment
		Server
		Testing machine
WX series	Lever-type electric wire installation terminal	Temperature Detection Controller
WXF series	Lever-type electric wire installation terminal (SMT type)	Hair dressing machine
XA series	Connector for PCB two-tiered	Automatic Train Control
		cable
		HDD

Mac8 adoption/inquiry example(By product)

Part#	Product name	Application
XB series	Connector for PCB two-tiered	ATM banknote sensor
		cable
		CCD Moduel
		Computer Lens meter
		Fire Alarm
		Gas sensor
		HDD
		Learning machine
		Lens meter equipment
		Meter module
		Micro Controller
		PLC communication module
		Portable music stereo
		POS system
		Power control board
		Recorder
		Robot arm
		Sensor Equipment
		Tester
		Transducer
XS series	Conthrough socket	AI evaluation board
XX series	Jumper for printed board	LED Module
		Thin Client Terminal
YP-6A	1 touch spacer	Inverter (for air conditioner)
